#### NOVEMBER MEETING:

Note that the November meeting will be held at the Children's Museum of Oak Ridge on November 10th at 7:30 PM. The program will be presented by Clay Thurston on the subject of Nature Photography. He was one of our judges this year and we will also ask him to comment on specific entries from a judge's perspective. There has been considerable conversation regarding the judging of photographs; and, this should be a great opportunity to learn more about this topic.

All entries for the Salon will be picked up this night, November 10th.

*Note:* Except for the night of the gallery walk, the normal admission charge to the museum will apply. This is a tremendous facility and worthy of your donation to facilitate their efforts with children. There are many exhibits of interest including one featuring Ed Wescott, who photographed behind the fence during the construction of Oak Ridge, whose work has recently been released to the public.

#### SALON GALLERY WALK:

The entries for our 61st Annual Salon are on display at the Children's Museum of Oak Ridge. The gallery walk will be **Saturday Nov 7th between 6:30 and 9:30 PM**. Bob Stone will give the gallery talk. Refreshments will be served. This is a very important event for our club and is one where we get to enjoy the work of others and enjoy visiting with fellow photographers. Please come and bring your friends!

#### CLUB OFFICERS:

**Nominations for club offices will be requested. Please consider serving and asking fellow members who might be interested.**

I look forward to seeing you at these upcoming events!!!!!!!
