Ben Martin. An Oak Ridge Legend. He came to Oak Ridge High School in 1943 from Norris, TN, as an assistant football coach and teacher. The first Oak Ridge High School football team went 0-4 and head football Coach Ferris Bynum left in December, 1943, for military service during World War II. Martin was elevated to head football coach and thus began a legendary career in Tennessee high school athletics. He served as head football coach at ORHS from 1944-1947, head basketball coach from 1943-1960, head track and field and cross-country coach from 1943-1965 and athletic director from 1948-1971. He was inducted into the Oak Ridge Sports Hall of Fame in 1986, the Tennessee Secondary Schools Athletic Association (TSSAA) Hall of Fame in 2010 and the Greater Knoxville Sports Hall of Fame in 2011.

While Martin was very successful in football and basketball, his greatest accomplishments came in track and field. His teams won an amazing seven state track championships in an eleven-year span from 1952-1962, a feat unmatched in Tennessee track and field history. And this was before there were any divisions or classifications in Tennessee high school athletics.

ORHS has won 43 state championships in boy’s and girl’s sports through the years, but the seven boy’s track championships all came under Coach Martin’s leadership. At some point, possibly during the major high school renovation in the mid-2000’s, all the state championship track and field trophies, save one, disappeared, were lost or misplaced.

Current ORHS athletic director Mike Mullins approved a project to fund replacement trophies. After contacting several trophy/award companies and with the assistance of ORHS Class of 1962 graduate Earl Nall, A & M Products of Princeton, Illinois, agreed to make replacement trophies. Exact replicas were not possible because of the age of the trophies, so six matching trophies were made to replace the missing trophies from 1952, 1953, 1957, 1958, 1961 and 1962. The only trophy to survive was the 1956 trophy, but the metal running figures were all missing and they have now been replaced with new metal running figures. The trophies show a lone running figure on top of the trophy and four relay figures on the base of the trophy.

Ben Martin was a master at developing outstanding relay teams and his relay teams won a remarkable 15 state championship relay races (including six new state records) to spearhead most of the state championship overall team victories. His final state championship team in 1962 swept all four relay races at the state meet, the only time that has ever been accomplished in Tennessee track and field history.

Following is a detailed breakdown of the relay teams that won relay state championships on the seven state championship teams with the team scores for Oak Ridge High School and the runner-up team and an * indicating a new state record:

As you can see, some remarkable teams led by a remarkable coach, Ben Martin. The replacement trophies are now on display at Wildcat Arena at ORHS as a lasting tribute to Ben Martin and the teams from a by-gone era.

Thanks to Bobby Martin, Coach Martin’s son and a long-time Oak Ridger, for providing the picture accompanying this article.

ORHS Athletic Director, Mike Mullins says, “ORHS Administration and Athletics Department greatly appreciates the efforts of Jack Bailey in spearheading the State Track Trophy replacement project. These trophies were lost during the HS renovation. The Ring of Champions that houses the State Championship trophies, is on display in the Wildcat Arena lobby.”
